At the Centennial Hall

Regular Council Meetings
held in the Two Hills Council
Chambers at 7:00 pm

- November 8
- November 22
- December 20

Everyone is welcome!!

At this time, the Town would like to remind all residents of some regulations pertaining to the removal of snow, according to Bylaw #2010-889

- Clear sidewalks of snow and ice within 48 hours of a snowfall. After this 48 hour period, the town may remove the snow and/or ice from your sidewalks and you may be issued a \$100 fine and billed accordingly for the snow removal.
- Please do not shovel snow or/ice on to the streets in front of your property, but instead, on to your front yard.
- Consider becoming a "Snow Angel" by helping neighbors in need, especially seniors, with snow removal this winter. Take a few extra minutes when shoveling your own sidewalk to shovel a neighbor's sidewalk and to keep them clear, ice free and safe.

*Remembrance Day
November 11, 2016

Hall
